

The industry's #1 second source for ASML repair & rebuild services.

NEWSLETTER SUMMER 2016

EXCITING NEWS...EOTechnical Solutions has acquired all of Litho-Services inventory assets. We are now able to provide an even greater range of parts for the ASML 2500, 5000, and 5500 platforms. The 2600+ additional parts, equipment and tooling provides more options for tool down support and a bolstered inventory for customers who wish to purchase parts without an exchange.

EOTechnical Solutions Headquarters, Vancouver, WA

TRAINING

Customized training sessions have proven valuable for many Fabs who book multiple classes each year. Classes can be tailored for experienced equipment engineers, process engineers, technicians or new hires. Training takes place in the EOTS Cleanroom with dedicated ASML 5500 scanners and steppers for hands on learning. Each class lasts 5 days, and hosts 1-3 students. Instructors have 20 Years of Equipment Engineering experience and a masterful knowledge of ASML Tools.

Book now to reserve a spot in 2017.
