

THE INDUSTRY'S #1 SECOND SOURCE FOR ASML REPAIR & REBUILD SERVICES.

2017 SUMER NEWSLETTER

More spare parts than ever before! Thanks to the recent asset purchases of Boston Semiconductor's & Litho services, EOTS can sell more parts outright. We can help you build a healthy stores stock of high failure parts. That translates into more uptime, less expedited shipping expenses, and streamlined troubleshooting. Contact us if you would like a list of recommended parts customized for your tool set.
